piplanning app Implementation Roadmap

[Click to download PDF.](#)

What's new in our latest update?

piplanning app Enterprise Ready

<https://player.vimeo.com/video/312700184>

Rally sync with the piplanning app

<https://player.vimeo.com/video/346855394>

What's the piplanning app?

The piplanning app is an app developed based on feedback from all sorts of SAFe® practitioners and consultants to support teams during their collocated or distributed SAFe® PI Plannings.

What is a SAFe® PI Planning?
